---

I hereby make application for water service from the Nueces County Water Control and Improvement District #3 (District), subject to all District policies and rates now existing or hereafter adopted and agree to pay all charges as provided for therein and that the obligation of the parties are covered thereby. This application shall automatically grant the District the right to access the property for performance of District services. I hereby certify that I am the legal property owner and have authority to establish utility services at the above service location.

I understand that by placing the water service in the Tenant's name that I will forfeit any rights to terminate water service to the property, and I will not be able to make any changes to the account without authorization of the Tenant.

I agree that by putting the billing in the name of my tenant and if the tenant fails to pay the utility bill I will be responsible for all charges including but not limited to the water bill, penalties and other billing fees. A deposit is required before a water service will be set up in a tenant's name.
