Minimum Qualifications and Selection Criteria

Nueces County Water Control and Improvement District #3 will evaluate the proposals to determine which firm has the best qualifications.

Contract Terms

This contract is contingent upon the release of funds from the Texas Water Development Board (TWDB). Any contract or contracts awarded under this Request for Qualifications (RFQ) are expected to be funded in part by a loan from the TWDB. Neither the State of Texas nor any of its departments, agencies, or employees are or will be a party to this RFQ, or any resulting contract. RFQ's are issued in accordance with Section 2254 of the Texas Government Code (Professional Services Act).

This contract is subject to the Environmental Protection Agency's (EPA) Disadvantaged Business Enterprise (DBE) Program, which includes EPA approved fair share goals toward procurement of Minority and Women-owned Business Enterprise (M/WBE) businesses. EPA rules require that applicants and prime contractors make a good faith effort to award a fair share of contracts, subcontracts, and procurements to M/WBE's through demonstration of the six affirmative steps. For more details of the DBE Program and the current applicable fair share goals, please visit www.twdb.texas.gov/DBE.

Nueces County Water Control and Improvement District #3 is an affirmative action/equal opportunity employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, age, handicap or national origin. Small, minority, and women owned business enterprises are encouraged to submit qualification statements.

Nueces County Water Control and Improvement District #3 reserves the right to refuse and reject any or all RFQ's and to waive any or all formalities or technicalities or to accept the RFQ best and most advantageous to Nueces County Water Control and Improvement District #3.
